

New Oil Test May Extend Pay to North

ESTER & DUFFIELD WELL TO TRY FOR SWASTIKA STRATA CLOSER TO HAMLIN

A new oil test 11 miles south of Hamlin was in prospect this week. It is located about two and one-half miles northwest of the V. E. Autry tract at No. 1 W. A. Minter well that last week was given official gauge of 292 barrels of oil from flow at 4,436 feet, production in the new well would be a much-watched development in the area.

The new test is slated to be spudded within six months on the lease block contract, but actual drilling is expected to get underway within probably two or three weeks, local dockers told The Herald Wednesday.

Lester & Duffield Incorporated of Fort Worth, blocking a 1,200-acre tract, is slated to sink the well to 1,500 feet or two stop at the Swastika pay zone at a lesser depth. A good well in this section would bring production closer to Hamlin from the recent eye-opener sunk by the Autry interests.

Oil scouts are watching development to the north considerably in view of their belief that the Swastika pay zone may be encountered northward. The Swastika, they explain, is a thick-structure strata that will give long-time oil production up to 50 years, which is much more valuable than the stratas southwest and west of Hamlin.

Five-inch casing had been set last week-end in the Bennett & Sorrells No. 1 William E. Eoff well, four miles southeast of Hamlin, which was drilling ahead first of the week just below 3,203 feet. When this story was written verdict on the well was expected momentarily when the drill stem reached the 3,300-foot region.

Tests in the Noodle Creek line were expected to be made last week-end in Skelly Oil Company's No. 3-A D. O. Huddleston, first offset to the Palo Pinto production discovery in the southeast corner of Fisher County, southwest of Hamlin.

The well was drilling ahead below 2,300 feet, with top of the Noodle expected at about 2,580. In the discovery well drill stem test in the Palo Pinto indicated good commercial production, although not as large as that found in the deeper zone.

Location of the well is 2,815 feet from the north and 1,675 from the west line of Section 11, Block 19, T. & P. Survey.

Army Comes Back to Win Last Two Games

After a haughty win over the Army football team last Tuesday night, the Navy squad bit the dust in the two last stanzas of a three-game series last Friday and Sunday afternoon. Score of the Friday night spree was 5 to 1, and Sunday afternoon's battle ended 14 to 1.

A large crowd saw the Friday evening game that tied the series one-all. Woods pitched for the Navy and Runt McCoy tossed them for the soldiers.

Sunday afternoon's melee turned into a race track when three pitchers for the Navy failed to stop the mauling of Army batters. James Woods, Junior Haight and S. C. Ferguson tried in vain, and McCoy let the gobs have it from the Army mound.

Dr. Rister Assembly Data for Book on Oil

Dr. C. C. Rister, who is a member of the history department faculty of the University of Oklahoma, Norman, has been in West Texas for several days gathering material for a history of the oil industry. He was in Hamlin last week-end, during which time he visited oil fields in the area to get data for his book.

With his wife, the former Mattie May, they were guests in the home of Mr. and Mrs. M. P. May.

SEE FIRST GAME!

It's football season again! And Hamlin High School is destined to have its best grid team in several years, according to Coaches L. B. Howard and Melvin Carlton, who declare their squad has a determination to win games this season that needs only the backing of an enthusiastic Hamlin citizenry.

Folks, arrange now to follow your team to Roscoe this (Friday) evening in the first game of the year. Starting time at 8:00 o'clock.

Our coaches declare that a surprising upset by the underdog Pied Pipers is not improbable.

VETS DRUB OILERS AND McCAULEY IN YEAR'S FINAL TILTS

Just to give the softball minded folks of the community some good sport on the diamond, the Veterans of Foreign Wars nine played two opposing teams Monday and Tuesday nights and took them both.

By a score of 8 to 2 the Vets beat the Oilers Monday night. The Oilers had previously beaten the Vets in the recent league play-offs. Highlight of the tilt came in the fourth frame when, with the V. F. W. trailing 2 to 1, Bob Dutton of the Vets slammed one over the right fielder's head for a home run, with the bases loaded.

It was decided before the game that the winner of Monday night's game would play McCauley Tuesday night, so the Veterans waded on into McCauley Tuesday night and held the long end of a 11 to 6 count after seven innings. McCoy pitched for V. F. W. and White and Burleson tossed for McCauley. The Vets scored in the first inning and held the lead all the way.

This was the last game of the season and was well attended. Proceeds of the Army-Navy games were divided between the players. The V. F. W.'s part in the last two games will be spent for uniforms for next year's team.

Next Foursquare Church Meeting to Wichita Falls

Mrs. Lovetta Conlee of Los Angeles, California, district evangelist, was principal speaker Monday afternoon and night at the Wichita Valley District fellowship meeting to the Hamlin Foursquare Gospel Church. All churches in the district were represented at the gathering, according to Lucille Liles and Alice Harrell, co-pastors of the local church.

Next session of the district will be held November 1 at Wichita Falls, it was determined at business sessions Monday evening.

A picnic style lunch was served for attendants Monday noon at the Foursquare church in West Hamlin.

Clyde Angel Back from Conference for Bankers

Clyde Angel, cashier of Farmers & Merchants National Bank, returned last week-end from Austin, where he attended a four-day school sponsored by the Texas Bankers Association and the University of Texas. Sessions were held at the university.

Economic trends and general banking practices were discussed at the sessions which opened Monday and continued through Thursday.

Jessie Myers Wins More Honors at Colorado City

Jessie is still West Texas' leading contender for top place in sectional rodeo contests, winning last week proved.

Jessie Myers, daughter of Mr. and Mrs. Redgan Myers of Hamlin, was declared champion cowgirl of the Frontier Roundup rodeo at Colorado City last week-end, after taking first place in the cowgirls' barrel race and first in the musical chair and flag races. Her time was 12.1 seconds for the barrel race Saturday night.

Estimated crowd of 18,000 attended the four-day Roundup.

Pipers Face Roscoe Boys In First Tilt

COACHES SAY LOCALS READY FOR GAME AND MAY PROVE SURPRISE TO FOLKS

While admitting that the Hamlin Pied Pipers are going into the game as underdogs, Coaches L. B. Howard and Melvin Carlton this week declared their charges have the will to win and might surprise some football fans Friday night at Roscoe—including a highly touted Roscoe High School Plowboy eleven.

It will be the locals' first game of the 1946 season. Not a conference game, but a crucial one every year, the Roscoe tussle will see the attendance of a big crowd of supporters from the home town. Game time is 8:00 o'clock, it is announced.

Coaches Howard and Carlton say their squad is in the best shape at the beginning of a season for many years. A full crew of squadmen will enter the game, and a fine reserve crew will spark any trouble spots during the fracas.

With a line that averages 168 pounds, the backfield will furnish plenty of hard-hitting ball totting by a quartet that averages 165 pounds. These weights will probably be about evenly matched by the Roscoe team.

Probable starting line-up for the Pied Pipers, as released Thursday by the coaches, follows:

Frank's left end; Crowley, left tackle; Sedberry, left guard; Myers, center; Blanton, right guard; Riley, right tackle; Weir, right end; and Rowland, Dean, Owens and Butler, backfield.

Reserves who will be suited out are: Black and Elders, end; McCurley and Goodgame, tackle; Criswell and Adams, guard; Moore, center; and Houghton, Putman and Niedecken, backs.

The Piperettes, pep squad girls, will make the trip to Roscoe. Headed by Suzanne Toler, Sarah Steele and Lela Mae Brigham, the squad will give leadership to plenty of backing from the citizenship in the opening game.

Cemetery Group Called For Gathering Sunday

Members and friends of the Hamlin Cemetery Association are urged this week by officials of the unit to attend a called meeting at the offices of the Farmers & Merchants National Bank Sunday afternoon at 3:00 o'clock.

Important matters relating to expanding and improving the properties of the association, and other business, are slated to come before the meeting. Everyone in or near Hamlin interested in the future of bities for the dead are urged to attend.

DRIVE AGAINST GAMBLING VICE STARTED BY MINISTERIAL ALLIANCE WITH SERMONS

A concerted drive on the increasing vice of gambling in the Hamlin community was being mapped this week by the Hamlin Ministerial Alliance, according to officials of the organization in reporting plans to The Herald this week.

Representatives of the Alliance who called on the publisher over the week-end, declared that gambling is becoming an obsession of certain groups in the community. Alliance representatives stated that they had talked with city law officials, who promised they would work with the church group in efforts to stamp out the law violations.

"Gambling is on the increase, especially among younger men, who are becoming brazen and open in their practices of the law violation. Besides being destructive to the community's civic life, the gambling habit is degenerating morally. We want the public to know that the churches of the community are against sin and for things that are good for our people's moral life," the Alliance group told The Herald.

SUGAR PRICE TO BE RAISED, OPA SAYS, AS MORE BANS OFF

Hamlin people were advised over the week-end that sugar ceilings are going up. Government officials made the announcement as OPA raised or removed price ceilings on a list of other items.

Ceilings will have to be increased and many products made from it because of higher prices that must be paid to Cuba, a reporter was told by spokesmen for the OPA and the Commodity Credit Corporation.

They declined to forecast how much the increase would be. But if it goes up one cent a pound, they reported, it would raise the bill for consumers about \$80,000,000 a year.

OPA increased ceilings on redwood lumber, white and Norway pine lumber imported from Canada, all domestic and imported wood pulp and venetian blinds.

It yanked ceilings from low-priced lipstick, tooth paste, face powder and cream and a long list of cosmetics providing the prices go no higher than 25 cents an item.

Fine Jersey Bull to Be Used to Build Up Herds

Hamlin region Jersey herds will soon be given another boost in improvement, with the acquisition on lease of a fine blooded bull from the Herman F. Heep Jersey Farm near Austin.

This was announcement made this week by T. C. Blankinship, vocational agriculture instructor at Hamlin High School, upon his return from attending the Texas Jersey Cattle Show at Waco last week. Contact was made for services of the bull this fall and winter in an effort to raise the standards of animals in this section, which have already established records for fine blood lines.

Blankinship's work with FFA and other club boys for fine Jersey stock has attracted wide attention. Winnings of the boys last week at the Waco show totaled \$88.

Pied Pipers Dyked Out In New Uniforms Friday

Hamlin High School's Pied Piper football team will be dyked out in brand new uniforms when they hit the field Friday night at Roscoe, it was announced by Coaches L. B. Howard and Melvin Carlton this week.

Said to be the "snazziest" uniforms yet worn by a Pied Piper team in the history of the school, they are flashy with plenty of color.

Sweaters are of green body with white stripes round the waist and shoulders and bearing large white numerals. Pants are of bright green body with white leg stripes. Socks are green and headgears are white. Headgears are the only part of the uniforms carried over from last year.

FFA Boys' Heifers Win at State Show

REV. LEDBETTER TO LEAD IN REVIVAL AT GOSPEL CHURCH

Rev. Earl Ledbetter of Los Angeles, California, and Little Rock, Arkansas, will lead in an eight-day revival meeting at the Foursquare Gospel Church in Hamlin beginning Sunday, September 15, it was announced this week by Alice Harrell and Lucille Liles, co-pastor of the local church.

Services will be conducted twice daily, prayer meeting being conducted each morning at 10:00 o'clock and evening worship at 7:45 o'clock. The services will continue through Sunday, September 22.

An outstanding evangelist of the denomination, Rev. Ledbetter also plays the guitar and sings.

The public is invited by the pastors to attend the meeting at the church, located at Sixth and Alamo Streets.

COUNTY COTTON TO BE CLASSED AGAIN AT ABILENE OFFICE

Jones County cotton will again be classed this year in the Abilene cotton office of the U. S. Department of Agriculture, production and marketing administration, which serves 31 counties of the Rolling Plains area, according to Robert Hardin, manager of the Abilene office.

Last year workers in the office graded 200,860 bales of cotton.

The cotton is graded free of charge to farmers who comply with the Smith-Doxey program. This is for any group of farmers who plant their crop to one variety of cotton. The office also classes cotton for warehousemen who desire government loans.

The office was established at Abilene a year ago and has four permanent employees. They are: Hardin, W. C. Siles and H. T. Russell, classifiers, and L. H. Stern, fieldman. In the rush season the office employs around 25 people.

Willingham Appointed On Board of Trustees

Tarlton Willingham Monday afternoon was appointed new member of the Hamlin Consolidated School District to fill the unexpired term of D. D. Shelburne, resigned, it was announced by school board officials Tuesday morning.

Willingham's appointment brings to full strength the seven-member board of trustees for the Hamlin district. Other members of the board are: Holly Toler, president; A. Spencer, secretary; Fred Carpenter, Eddie Jay, C. C. Bailey and LaFoy Patterson.

Routine business was conducted by the board at the Monday session, as well as hearing of representatives from the Hitson district on the matter of Hitson's taking the Hitson high school students.

Five-Cent Cup of Coffee Still With Us Says OPA

Coffee drinkers of the Hamlin area and elsewhere in the nation were informed Monday by the Office of Price Administration at Washington to be at ease, because the nickel cup of coffee is here to stay.

OPA came out Monday with the assurance that even though coffee has gone up from 10 to 13 cents a pound, there will be no corresponding increase for each cup.

"They squeeze so many cups out of each pound that it's impossible to pass this price increase on to the consumer," said the OPA's coffee lady.

COUNTY JUDGING TEAM TAKES FIRST MONEY—HOLLOWAY GETS TRIP COLUMBUS

Hamlin Future Farmers of America judging team last week-end walked away with first honors at the Texas Jersey Cattle Show in Waco and \$30 in cash. All five members of the team were last year first-year students in vocational agriculture, according to their instructor, T. C. Blankinship.

Other winnings copped by the boys included fifth, seventh and ninth individual judging places in the state contests, and placings for all three of the heifer entries in the first all-state exhibit of fine Jersey cattle. The show was sponsored by the Texas Jersey Cattle Club.

Group and individual prizes for the Hamlin boys totaled \$88, besides an all-expense trip for one of the boys to the National Jersey Cattle Show at Columbus, Ohio, later this month.

County judging team that took first state honors was composed of Weldon Townsend, Callens George, Kenneth Holloway, Elton Brigham and Joe Armstrong. The latter two boys are from Stamford and Trent clubs, but both live in Jones County. The five-some scored 2,300 points out of a possible 2,700 in judging. Next highest team trailed about 200 points in final tabulations.

Kenneth Holloway's heifer, Queen, was barely nosed out of first place in the yearling class. The animal won \$15 second award and was placed on the 10-animal group that is making a tour of exhibitions in Oklahoma, Iowa, Kansas and on to the national show, then will be shown at the State Fair of Texas in Dallas next month. Another Holloway heifer, Royal, placed sixth in a class of 17 in the senior yearling group.

Weldon Townsend's senior heifer yearling, Lassie, placed second and won \$15 in a big field of entries.

The boys also took first in the county herds class to take \$20 cash awards.

RALPH CHANDLER DIES AT HOME OF SON FROM ATTACK

Funeral services for Ralph Chandler of Pittsburgh, Pennsylvania, former Cross Plains resident, who died at the home of his son, Albert Chandler, in Hamlin last Wednesday morning, were held Friday afternoon at Cross Plains. Rites were held at the Cross Plains First Methodist Church, with Barrow Funeral Home of Hamlin and Higginbotham Funeral Home of Cross Plains in charge of arrangements. Masons handled burial rites.

Chandler, 61, died of a heart attack while visiting in the son's home. He had made his home for many years at Cross Plains, but moved to Pittsburgh three years ago.

Survivors are his wife; three children by a former marriage, Ralph Chandler of Newport News, Virginia, Albert of Hamlin and Phyllis Chandler of Roswell, New Mexico; and one granddaughter.

BOYS SIT AS COURT

A new court has been established in Hamlin, and young men between the ages of 16 and 19 make up the judges' bench. It is known as the Lettermen's Club.

Composed of members of the 1946 Hamlin High School football team, the court was formed to mete out punishment to any of its membership who break training rules during the grid season.

Coach L. B. Howard explained that the members of the squad organized the club to see that their backers get their money's worth in well trained football entertainment this year.

Willie Belle Walton and Charles Schultz Marry

Marriage of Willie Belle Walton, daughter of W. L. Walton of Hamlin, to Charles Schultz was solemnized in Adams Chapel at Los Angeles, California, Friday evening, August 23, at 7:30 o'clock.

J. E. Walton, nephew of the bride, served as best man, and Mrs. J. E. Walton was matron-of-honor.

The bride wore a dressmaker suit of medium blue and her accessories were of white. Her hat was of white dove feathers. She carried a bouquet of white roses centered with an orchid. The matron-of-honor wore a gray-blue dress with an orchid corsage.

The wedding party went immediately to the reception hall, where Mr. and Mrs. J. E. Walton were hosts to about 50 guests. The hall was decorated in pink and white, with white wedding bells predominating. The all-white table was centered with a three-tiered wedding cake on a glass reflector encircled with gardenias.

Following the reception the couple left on a wedding trip to Long Beach. They are now at home at 613 South Place, Burbank, California.

THURSDAY BRIDE

Mrs. Will W. Harbert, above, was before her marriage Thursday evening at the First Methodist Church, Jo Anne McCrary, daughter of Dr. and Mrs. J. W. McCrary of Hamlin. Both the newlyweds are popular young folks of the community. They will resume their studies soon at Hardin-Simmons University, Abilene.

Jo Anne McCrary and Will Harbert United

Marriage of Jo Anne McCrary, daughter of Dr. and Mrs. J. W. McCrary, to Will W. Harbert, son of Mrs. Lola Harbert of Hamlin, was solemnized Thursday evening at the First Methodist Church with the Rev. C. E. Jameson, pastor of the Methodist Church at Odessa, reading the double ring ceremony. Rev. Jameson officiated at the wedding of the bride's parents 25 years ago.

The couple stood beneath an arch entwined with fern and white and pink asters. On each side of the arch were tall baskets of white gladioli and candelabra holding white candles.

Mrs. Lester Morton, pianist, played softly while guests were assembling and accompanied her husband, who sang "Little Gray Home in the West" and "Because." Edwin a Gilbert played the L-hengrin and Mendelssohn wedding music.

The bride, given in marriage by her father, wore a white lace dress over satin, made with long pointed sleeves, fitted bodice with a peplum full skirt ending in a train. Her veil was of illusion bordered with seed pearls. She carried a white Bible topped with a bouquet of orchids, centered in a circular arrangement of white lace and tube roses with satin ribbon streamers.

Mrs. Billy Holmes of Abilene was maid-of-honor. Her gown was of white net over yellow taffeta. Bridesmaids included Sue McCrary and Oleta Kite, who wore pastel blue net over taffeta, and Gamille Hassen and Peggy Van Harbert, who wore pastel pink net over taffeta. Each bridesmaid wore a net halo and carried old-fashioned mosegays of contrasting colors.

Flower girl was Dana K. Dane of Fort Worth, cousin of bride, who wore pink net over taffeta. She carried a nosegay of pink rosebuds. Guy Odom, nephew of the groom, carried the ring on a white satin pillow. Otis Harbert of Stamford served as best man, and Billy Holmes and S. C. Ferguson ushered.

After the ceremony the couple remained in the vestibule of the church to greet the guests as they departed. A reception was hosted at the home of the bride. Garden flowers were used in the receiving rooms, where the gifts were on display.

Mrs. W. B. Dane of Fort Worth

Betty Jo Green and Loss Story Married

On Monday, August 12, Rev. Lowell of Abilene read the single ring ceremony that united in marriage Betty Jo Green and Loss Story.

The bride was dressed in navy blue with white accessories and was attended by her sister, Hopie, who was also dressed in navy with white accessories. Murry Sampson of Anson was best man.

Betty Jo is the daughter of Mr. and Mrs. Ira Green of Celotex. She was graduated from Hamlin High School with the 1946 class.

Loss is the son of Mr. and Mrs. Frank Story of Anson. He has recently returned from overseas, where he spent several months with the armed forces.

Only a few close friends attended the rites. The couple is at home at Fort Worth.

served the three-tiered wedding cake, which was topped by a miniature bride and groom. Eleanor Temple presided at the punch bowl. Sue McCrary was in charge of the bride's book. Others in the house party were Mrs. J. T. Hart, Mrs. Otis Harbert, Mrs. Jim Richardson, Mrs. John Jenkins, sisters of the groom. Mrs. D. O. Sauls and Mrs. Anna Lou Cox of Artisia, New Mexico.

Out-of-town guests included Mr. and Mrs. W. B. Dane and daughter, Dana K., of Fort Worth, Mr. and Mrs. Billy Holmes, Mr. and Mrs. Pilley Mr. and Mrs. L. S. Perry, all of Abilene, Mrs. Irene Cardwell and daughters of Roby. Mr. and Mrs. Otis Harbert and daughter, Wanda Bush and Peggy Sitton of Stamford, Mrs. Anna Lou Cox, Charles Cox of Artisia, New Mexico, Mr. and Mrs. Jim Richardson of Sundown, Mr. and Mrs. John Jenkins of Hobbs, New Mexico.

For a going-away suit Mrs. Harbert wore a pastel green wool, with brown accessories. She wore an orchid corsage. After a short wedding trip to points in New Mexico, the couple will be at home in Abilene, where they will resume their studies at Hardin-Simmons University.

The bride and groom are graduates of Hamlin High School. The groom served three years with the Marine Corps in the south pacific theatre. He received his discharge last November.

Fisher Club Group Plans New Yearbooks

Fisher County Home Demonstration Club Council yearbook committee met in the home of Mrs. J. A. Jackson at McCaulley Wednesday of last week. Present were Mrs. Deima Boles, home demonstration agent, Mrs. Adams of Rotan, chairman of the committee, and Mrs. Jackson. Object of the meeting was to work out or formulate plans for the 1947 yearbook.

Points of interest through the ensuing year will be the demonstrations by the agent on bedrooms and accessories and the cooking and canning for frozen foods. Other programs of the year will be: A book review, Christmas program and other subjects of local interest. Project is being worked out in some of the local clubs in the Seventh District for a club recreation center sponsored by the clubs with the cooperation of the other women in the club areas. Do the McCaulley youngsters need one enough to work for it, officials of the McCaulley club are wondering.

Mrs. Clifford Reynolds Honored at Gift Tea

Mrs. Clifford Reynolds Jr. was honored at a gift tea Tuesday in the home of Mrs. M. T. York. Assisting hostesses for the occasion were Mrs. Lester Morton, Mrs. H. O. Cassle, Mrs. Lesley Shelburne, Mrs. Bill Shira, Mrs. L. C. Bonds and Mrs. Tom Teague.

Guests were greeted by Mrs. Shira, who asked them into the living room, where greetings were extended by the honoree, Mrs. C. R. Reynolds Sr. and Mrs. Lovel Stell. Mrs. J. C. Turner Jr. then invited the guests into the dining room, where Mrs. Bonds, Mrs. Morton and Mrs. E. J. Whaley presided over the beautifully appointed tea table.

Mrs. Teague then invited the guests to see the gift displays which were presided over by Mrs. Charles Prater, Mrs. York and Mrs. Cassle. They were then asked to register by Mrs. Fred B. Moore Jr., who was in charge of the bride's book. Good-byes were said by Mrs. Lesley Shelburne.

How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

Supply of Water Makes Dove Hunting Difficult

Dove hunters of the Hamlin area are reporting that they are having fair luck, but because of the rains of the last 10 days the birds are not so easy to locate. Standing water has been plentiful in most sections, and the doves have been able to find drinking water in widely scattered bar ditches, pools and fields without having to go to the usual tanks for water. There are plenty of birds.

However, with drying up of many of the smaller pools, nimrods believe the rest of the season may prove better hunting.

HAMLIN WELCOMES NEW SCHOOL AREAS

With opening of the new school term in Hamlin the other day, we are playing host to a big crowd of new young people in Hamlin public schools. The newcomers are from six of the section's smaller school districts that voted to consolidate with the Hamlin district.

To the students themselves and their parents, The Herald wants to extend a printed hearty welcome on behalf of the community. We hope that the benefits of enlarged scope of work, more and better courses, fine school equipment and a competent staff of administrators and teachers will well repay you for joining the district.

Actually, as we have before declared, the consolidations mean little to Hamlin. The responsibilities of our school system increase greatly with the enlarged enrollments, and little or no net monetary gain can be expected by the Hamlin system with the mergers.

Hamlin's citizenship wants you to know, friends, that the gesture of friendship in sharing our school facilities will help us all to make better citizens of our children and be better friends in years to come.

Again we say, students and patrons, welcome to Hamlin schools!

FOOTBALL SPIRIT GOOD FOR PEOPLE

There's something about the rah-rah-rah of the football season that puts a spirit of community and school loyalty, of sportsmanship and of confidence in youth that makes life more worthwhile. It's an unexplainable disease that is contagious—but show us the person who doesn't get a thrill out of seeing the football spirit in action and we'll show you a person who is "going to seed" with a disease that is more dreadful than cancer.

To this invigorating spirit the American people may accredit many of the tenets of fair play that have made it the world's greatest power for peace and friendliness. No other nation under the heavens can claim such an inborn feeling of sportsmanship. Our dealings with our fellow man in every-day transactions are more pleasant and above-board because of principles that are learned on the athletic field.

And when it comes to fighting spirit—born not of bitterness toward our fellowman but because of loyalty to principles and things that are right—this same whole-souled tenacity is demonstrated in victory over war-trained people with minds warped by hate and destructiveness.

Folks of the Hamlin community, get in the football parade behind the Pied Pipers, and see how much more fun living is!

GAMBLING VIOLATIONS BEING PROBED

Concerted drive against the growing practice of gambling in the Hamlin community is being planned by the Hamlin Ministerial Alliance. The Herald was informed this week.

Representatives of the organization of church ministers of the city point out that groups of young men are openly congregating in semi-public points in and near the town and placing reasonably high stakes in poker and crap games in open violation of laws of the state. Participants, they declare, are principally young men, many of them ex-service men.

A usual outcropping of money plentifulness, the gambling instinct is a sapper of honesty, integrity and thrift. Indolence is a foster child of the evil.

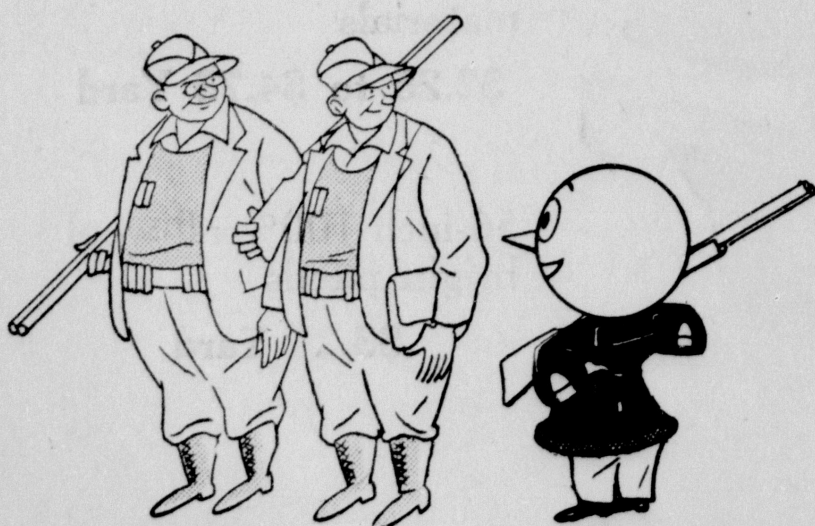

Violation of one law is just as serious as another. Disregard of statutes breeds further crime that may lead to more serious consequences.

Alliance members declare that local and county officers have promised their vigilance in coping with the situation. As part of their program to stamp out the evil, all ministers in the Alliance are planning special sermons on gambling at Sunday morning services.

Everybody is talking about his rights these days. Here, says the Texas Safety Association, is something for drivers to remember about the other fellow's rights—the pedestrian's rights: A pedestrian who has started across the street with the green light has the right to continue to a point of safety before the driver starts up, even though the light has changed after the pedestrian stepped from the curb.

There is no mean work, save that which is sordidly selfish; no irreligious work, have that which is morally wrong; in every sphere of life the post of honor is the post of duty.—E. H. Chapin.

Lots of Luck, Fellows...

But please don't shoot at birds on telephone wires or insulators.

Your shot might wreck vital long distance circuits... and telephone equipment is hard to get. Thanks.

FFA BOYS TELL OF WINNINGS AT STATE EXHIBIT TO LIONS

Two of the Future Farmers of America boys who went last week from the Hamlin High School vocational agricultural department to the Texas Jersey Cattle Show at Waco and their entries placed high in exhibitions were guests and speakers at Tuesday's luncheon meeting of Hamlin Lions Club at the Morgan Hotel. Their instructor, T. C. Blankinship also appeared and spoke.

The boys outlined their winnings as a judging team and also their prize-taking Jersey heifers that placed in every event entered. A more complete story of the boys' winnings will be found in another portion of today's Herald.

Blankinship stated that the Texas Jersey Cattle Club at Waco last week was the first all-state show for Jerseys ever conducted in Texas. From the show 50 of the best animals of the state, including 40 animals shown by adults and 10 shown by boys were selected to be taken to the national Jersey club show at Columbus, Ohio, late this month. One of the Hamlin boys' heifer was selected among the 10 best animals exhibited by club boys, Blankinship reported.

June Jones presented two piano numbers, "Prisoner of Love" and "Gypsy" as entertainment numbers for the Lions and guests. Mrs. W. C. Russell was pianist for the day in the absence of the regular club accompanist.

Acting Tailtwister J. W. McCrary, who had collected a number of fines, was waylaid by W. H. Eyssen Jr., who also claimed he was official dime collector.

Stanley Carmichael presented estimates of cost of a paving program for Hamlin as starter for such a project, urging members of the club to talk the proposition to other citizens.

Ted Russell gave a preliminary report on the softball season activities of the club's hustling team.

Besides the FFA boys, Blankinship and June Jones, other guests at the Tuesday luncheon were Harold Williams, new Hamlin High School principal, and Parker May of Washington, D. C.

Coaches Attend Rules Interpretation Sessions

Coaches L. B. Howard and Melvin Carlton were among the 70 West Texas high school and college coaches and game officials who met Sunday afternoon at the Windsor Hotel in Abilene for a rules interpretation meeting.

The rules discussion was led by A. M. (Tonto) Coleman, head football coach at Abilene Christian College, and one of the Southwest's leading officials.

The parley was conducted by the Abilene Officials' Association, of which Frank Cogdall is president. The unusually large turn-out of officials indicated, meeting arranges said, that the war-time shortage of whistle tooters is no longer a problem.

Every man and woman should be today a law to himself, herself,—a law of loyalty to Jesus' Sermon on the Mount.—Eddy.

Any man who sneers certainly spoils his good looks—especially if he sneers at a larger man.

ACCEPTABLE WORSHIP

The theory is advocated widely that all worship of God is acceptable, provided the worshippers are sincere. This opinion is wrong. God has always been strict and undeviating regarding the kind of worship He commanded. Since He is the one to be worshipped, He alone must determine the way His children shall worship Him.

Cain's worship was not acceptable to God; it was not according to the commandment; it was not of faith (Genesis 4:4-5, Hebrews 11:4). Faith comes by hearing. Abel heard (Romans 10:17). Since Abel's sacrifice was by faith, we know he worshipped as God commanded. Thus we see that even in the beginning of human existence it did make a difference with God as to how people worshipped Him.—J. C. Scott, Minister, Hamlin Church of Christ.

ROTARIANS TOLD PIED PIPERS LOOK BEST FOR YEARS

Starting fall training with 26 football hopefuls, the Hamlin Pied Piper squad will enter the first game with Roscoe with only two lost to injuries, and will be in tip-top shape, Coach L. B. Howard told members of Hamlin Rotary Club Wednesday noon in their luncheon meeting at the Morgan Hotel.

Howard and Assistant Coach Melvin Carlton outlined prospects of the football season at Hamlin Schools. Carlton said that alert, energetic grid teams are shaping at elementary and junior high schools that promise good material for the squad of the future at Hamlin High School.

Carlton declared that the Pipers would probably face their toughest district game with Anson, while Monday and Stamford would furnish plenty of competition.

Dean Witt was announced as a new member of the Rotary Club, making the third member of the Witt family to become a Rotarian at Hamlin.

Besides the coaches, the following were guests at the Wednesday luncheon: Dan Parrish, Rud Swan, John Womble and Wendell Bedichek of Abilene, W. J. Bryant of Stamford, Harold and Tom Neeley of Fort Worth, J. B. Davenport of San Angelo, A. W. Yeatts of Huntsville and H. L. Williams, new Hamlin High School principal.

Mrs. J. W. Ezell Doing Well After Leg Break

Condition of Mrs. J. W. Ezell, long-time Hamlin resident, who last Tuesday night sustained a broken upper bone in a lambe when she fell at her home in Northwest Hamlin, was reported from the Callan Hospital at Rotan as satisfactory.

The fall came when she started to the front door across highly polished floors to greet visitors. Mrs. Ezell will remain at the hospital for possibly six weeks in order for the member to heal, most of which time

will be spent with balanced weight on the leg.

Small sized dollar bills have been in circulation as United States currency since July 10, 1929.

Rip Van Winkle wakes up to a bargain!

What day is it? I mean, what year is it? My word, I've been asleep 15 years!

Yessir, I see lots of changes since 1931, but women's hats are as silly as ever! and the high cost of living is enough to send me back to sleep for another 15 years!

Gosh, look at all the new electric gadgets! When I dozed off back in the Thirties, we had electric lights and an iron and a vacuum cleaner at our house! Now we've got a refrigerator, a couple of radios (my last one was a crystal set), clocks, toaster, washer—why, everything you touch has a switch on it!

It's funny, too, with all those gadgets perking away, my electric bill isn't much more than it was 15 years ago, while everything else has gone up a lot!

(Yes, Rip Van Winkle, you're getting twice as much electricity for your money today as you did 15 years ago. It took increased usage plus plenty of skill and planning—under sound business management—to make electricity the bargain it is right now!)

POT-SHOTS FROM MCCAULLEY

BY GEO DARDEN

Bond election carries! Yes, the taxpayers of McCaulley Independent School District turned out and voted last Saturday to the tune of 77 for and 31 against the two propositions and assured McCaulley of a fine gymnasium, repairs and class rooms that we will all be proud of. It's a free country and folks vote as they please and the majority pleased to vote for the welfare of their children and their neighbors' children rather than the almighty dollar. What little tax money added will be insignificant compared to the needs of our school. Anyway, we won't know the difference a hundred years from now, and the smiles on the faces of McCaulley school children mean more to most of us than what little additional taxes that may be added. After all, we come into the world without a stitch of clothes on and we are going out with maybe a suit and a necktie and in our sock feet.

Thanks to Wayne Webb and Rev. C. E. Dick for a year's subscription each to The Herald.

Margaret Darden returned home Sunday from Shreveport, Louisiana, after a week's visit with Lieutenant and Mrs. W. H. Pickron. She returned home via American Airlines. The plane trip was a birthday gift from the Pickrons.

Mrs. Jim Fancher has returned from a three-week visit in Nevada City, California. She also visited at Reno, Nevada. The visit to that city probably made the husband, Jim, sit up and take notice.

Bonnie Beth Jones visited friends

at Abilene last week.

Betty Kean has returned to her home after a 15-day visit with relatives at Pittsburg.

The cotton gin at McCaulley has blown the whistle and is ready to gin your cotton.

McCaulley Schools opened for business last Monday. School days ahead are not such a dread to the kiddies since they are to get a new building.

J. N. Wishert was the first to gather cotton in this community this year. He ginned three bales last week. Several farmers plan to start picking this week. Cotton will be much better than expected, and the rains will assure a fair feed crop as well as a cotton crop.

Let there be no mistake about it: Whether we like it or not, subsidies and effective price controls are indivisible. Without one we cannot have the other.

In three months of this year 8,120 people were killed on U. S. highways. It would be better if we all drove as if the fellow in front of us was "loop legged" drunk. He could be.

Comment No. 1—There are a lot of folks in this world who gripe about most everything. They gripe because the other fellow tries to get something done for his community. They gripe because it rains too much or not enough. They had rather not have schools if they have to pay taxes. They cuss the preachers because of the collections. They pity themselves because the other fellow seems to have the most fun in life. They talk about their neighbor and his misgivings like he was a horse thief or bank robber, and the best we can figure out, most all the chronic grouches have a notion that they are about half smart. But the folks who have to listen to their aches and pains are of the opinion that such humans are plain "dumb chicks."—A Darden-O-Gram.

Apparently the shorter the dress the higher the price. But it just goes to prove that sight-seeing costs money.

CHURCH OF THE NAZARENE

Evening services at the Church of the Nazarene will begin at 7:45 o'clock instead of the previous time of 8:00 o'clock, it was announced this week by Rev. J. T. Crawford, pastor.

Following schedule of services at the church is submitted by Crawford, who urges Hamlin community people to "Go to the church of your choice—go to church somewhere Sunday."

Sunday School, 9:45 a. m.; Sunday morning worship, 11:00 a. m.; young people's service, 7:00 p. m.; junior service, 7:00 p. m.; evangelistic service, 7:45 p. m.; Bible study, Wednesday evening, 7:45 p. m.; workers' meeting, Friday evening, 7:30 p. m.

The local pastor will be in charge of the pulpit both morning and evening. The Sunday morning message will deal with the sin of "Gambling," in which the pastor hopes to be able to stir up the minds of the people against this great evil we are facing today. The Sunday evening message will be "Seeking Refuge From the Lamb."

City Underwrites Fund For Vocational School

Hamlin business interests last week assumed \$1,000 guarantee toward financing the GI vocational school for Jones County, it was announced by James W. Love, county coordinator, first of the week.

Financing of the schools has about been completed, Love states, who says Stamford and Anson have pledged \$1,000 each toward financing the project for veterans until the school is put in operation and lenders have been reimbursed by the federal government.

New Oil Test May Extend Pay to North

LESTER & DUFFIELD WELL TO TRY FOR SWASTIKA STRATA CLOSER TO HAMLIN

A new oil test 11 miles south of Hamlin was in prospect this week. To be located about two and one-half miles northwest of the V. E. Autry et al No. 1 W. A. Minter well that last week was given official gauge of 292 barrels of oil from flow at 3,436 feet, production in the new well would be a much-watched development in the area.

The new test is slated to be spudded within six months on the lease block contract, but actual drilling is expected to get underway within probably two or three weeks, local blockers told The Herald Wednesday.

Lester & Duffield Incorporated of Fort Worth, blocking a 1,200-acre tract, is slated to sink the well to 3,500 feet or two stop at the Swastika pay zone at a lesser depth. A good well in this section would bring production closer to Hamlin from the recent eye-opener sunk by the Autry interests.

Oil scouts are watching development to the north considerably in view of their belief that the Swastika pay zone may be encountered northward. The Swastika, they explain, is a thick-structure strata that will give long-time oil production up to 50 years, which is much more valuable than the stratas southwest and west of Hamlin.

Five-inch casing had been set last week-end in the Bennett & Sorrells No. 1 William E. Eoff well, four miles southeast of Hamlin, which was drilling ahead first of the week just below 3,203 feet. When this story was written verdict on the well was expected momentarily when the drill stem reached the 3,300-foot region.

Tests in the Noodle Creek line were expected to be made last week-end in Skelly Oil Company's No. 3-A D. O. Huddleston, first offset to the Palo Pinto production discovery in the southeast corner of Fisher County, southwest of Hamlin.

The well was drilling ahead below 2,300 feet, with top of the Noodle expected at about 2,580. In the discovery well drill stem test in the Palo Pinto indicated good commercial production, although not as large as that found in the deeper zone.

Location of the well is 2,815 feet from the north and 1,675 from the west line of Section 11, Block 19, T. & P. Survey.

Army Comes Back to Win Last Two Games

After a haughty win over the Army football team last Tuesday night, the Navy squad bit the dust in the two last stanzas of a three-game series last Friday and Sunday afternoon. Score of the Friday night spree was 5 to 1, and Sunday afternoon's battle ended 14 to 1.

A large crowd saw the Friday evening game that tied the series one-all. Woods pitched for the Navy and Runt McCoy tossed them for the soldiers.

Sunday afternoon's melee turned into a race track when three pitchers for the Navy failed to stop the mauling of Army batters. James Woods, Junior Hought and S. C. Ferguson tried in vain, and McCoy let the gobs have it from the Army mound.

Dr. Rister Assembly Data for Book on Oil

Dr. C. C. Rister, who is a member of the history department faculty of the University of Oklahoma, Norman, has been in West Texas for several days gathering material for a history of the oil industry. He was in Hamlin last week-end, during which time he visited oil fields in the area to get data for his book.

With his wife, the former Mattie May, they were guests in the home of Mr. and Mrs. M. P. May.

SEE FIRST GAME!

It's football season again! And Hamlin High School is destined to have its best grid team in several years, according to Coaches L. B. Howard and Melvin Carlton, who declare their squad has a determination to win games this season that needs only the backing of an enthusiastic Hamlin citizenship.

Folks, arrange now to follow your team to Roscoe this (Friday) evening in the first game of the year. Starting time at 8:00 o'clock.

Our coaches declare that a surprising upset by the underdog Pied Pipers is not improbable.

VETS DRUB OILERS AND McCAULEY IN YEAR'S FINAL TILTS

Just to give the softball minded folks of the community some good sport on the diamond, the Veterans of Foreign Wars nine played two opposing teams Monday and Tuesday nights and took them both.

By a score of 8 to 2 the Vets beat the Oilers Monday night. The Oilers had previously beaten the Vets in the recent league play-offs. Highlight of the tilt came in the fourth frame when, with the V. F. W. trailing 2 to 1, Bob Dutton of the Vets slammed one over the right fielder's head for a home run, with the bases loaded.

It was decided before the game that the winner of Monday night's game would play McCauley Tuesday night, so the Veterans waded on into McCauley Tuesday night and held the long end of a 11 to 6 count after seven innings. McCoy pitched for V. F. W. and White and Burleson tossed for McCauley. The Vets scored in the first inning and held the lead all the way.

This was the last game of the season and was well attended. Proceeds of the Army-Navy games were divided between the players. The V. F. W.'s part in the last two games will be spent for uniforms for next year's team.

Next Foursquare Church Meeting to Wichita Falls

Mrs. Lovetta Conlee of Los Angeles, California, district evangelist, was principal speaker Monday afternoon and night at the Wichita Valley District Fellowship meeting in the Hamlin Foursquare Gospel Church. All churches in the district were represented at the gathering, according to Lucille Liles and Alice Harrell, co-pastors of the local church.

Next session of the district will be held November 1 at Wichita Falls, it was determined at business sessions Monday evening.

A picnic style lunch was served for attendants Monday noon at the Foursquare church in West Hamlin.

Clyde Angel Back from Conference for Bankers

Clyde Angel, cashier of Farmers & Merchants National Bank, returned last week-end from Austin, where he attended a four-day school sponsored by the Texas Bankers Association and the University of Texas. Sessions were held at the university.

Economic trends and general banking practices were discussed at the sessions which opened Monday and continued through Thursday.

Jessie Myers Wins More Honors at Colorado City

Jessie is still West Texas' leading contender for top place in sectional rodeo contests, winning last week proved.

Jessie Myers, daughter of Mr. and Mrs. Reagan Myers of Hamlin, was declared champion cowgirl of the Frontier Roundup rodeo at Colorado City last week-end, after taking first place in the cowgirls' barrel race and first in the musical chair and flag races. Her time was 12.1 seconds for the barrel race Saturday night.

Estimated crowd of 18,000 attended the four-day Roundup.

Pipers Face Roscoe Boys In First Tilt

COACHES SAY LOCALS READY FOR GAME AND MAY PROVE SURPRISE TO FOLKS

While admitting that the Hamlin Pied Pipers are going into the game as underdogs, Coaches L. B. Howard and Melvin Carlton this week declared their charges have the will to win and might surprise some football fans Friday night at Roscoe—including a highly touted Roscoe High School Plowboy eleven.

It will be the locals' first game of the 1946 season. Not a conference game, but a crucial one every year, the Roscoe tussle will see the attendance of a big crowd of supporters from the home town. Game time is 8:00 o'clock, it is announced.

Coaches Howard and Carlton say their squad is in the best shape at the beginning of a season for many years. A full crew of squadmen will enter the game, and a fine reserve crew will spark any trouble spots during the fracas.

With a line that averages 168 pounds, the backfield will furnish plenty of hard-hitting ball totting by a quartet that averages 165 pounds. These weights will probably be about evenly matched by the Roscoe team.

Probable starting line-up for the Pied Pipers, as released Thursday by the coaches, follows:

Franks, left end; Crowley, left tackle; Sedberry, left guard; Myers, center; Blanton, right guard; Riley, right tackle; Weir, right end; and Rowland, Dean, Owens and Butler, backfield.

Reserves who will be suited out are: Black and Elders, end; McCurley and Goodgame, tackle; Criswell and Adams, guard; Moore, center; and Houghton, Putman and Niedeecken, backs.

The Piperettes, pep squad girls, will make the trip to Roscoe. Headed by Suzanne Toler, Sarah Steele and Lela Mae Brigham, the squad will give leadership to plenty of backing from the citizenship in the opening game.

Cemetery Group Called For Gathering Sunday

Members and friends of the Hamlin Cemetery Association are urged this week by officials of the unit to attend a called meeting at the offices of the Farmers & Merchants National Bank Sunday afternoon at 3:00 o'clock.

Important matters relating to expanding and improving the properties of the association, and other business, are slated to come before the meeting. Everyone in or near Hamlin interested in the future of sites for the dead are urged to attend.

DRIVE AGAINST GAMBLING VICE STARTED BY MINISTERIAL ALLIANCE WITH SERMONS

A concerted drive on the increasing vice of gambling in the Hamlin community was being mapped this week by the Hamlin Ministerial Alliance, according to officials of the organization in reporting plans to The Herald this week.

Representatives of the Alliance who called on the publisher over the week-end, declared that gambling is becoming an obsession of certain groups in the community. Alliance representatives stated that they had talked with city law officials, who promised they would work with the church group in efforts to stamp out the law violations.

"Gambling is on the increase, especially among younger men, who are becoming brazen and open in their practices of the law violation. Besides being destructive to the community's civic life, the gambling habit is degenerating morally. We want the public to know that the churches of the community are against sin and for things that are good for our people's moral life," the Alliance group told The Herald.

SUGAR PRICE TO BE RAISED, OPA SAYS, AS MORE BANS OFF

Hamlin people were advised over the week-end that sugar ceilings are going up. Government officials made the announcement as OPA raised or removed price ceilings on a list of other items.

Ceilings will have to be increased and many products made from it because of higher prices that must be paid to Cuba, a reporter was told by spokesmen for the OPA and the Commodity Credit Corporation.

They declined to forecast how much the increase would be. But if it goes up one cent a pound, they reported, it would raise the bill for consumers about \$80,000,000 a year.

OPA increased ceilings on redwood lumber, white and Norway pine lumber imported from Canada, all domestic and imported wood pulp and venetian blinds.

It yanked ceilings from low-priced lipstick, tooth paste, face powder, and cream and a long list of cosmetics providing the prices go no higher than 25 cents an item.

Fine Jersey Bull to Be Used to Build Up Herds

Hamlin region Jersey herds will soon be given another boost in improvement, with the acquisition on lease of a fine blooded bull from the Herman F. Heep Jersey Farm near Austin.

This was announced made this week by T. C. Blankinship, vocational agriculture instructor at Hamlin High School, upon his return from attending the Texas Jersey Cattle Show at Waco last week. Contact was made for services of the bull this fall and winter in an effort to raise the standards of animals in this section, which have already established records for fine blood lines.

Blankinship's work with FFA and other club boys for fine Jersey stock has attracted wide attention. Winnings of the boys last week at the Waco show totaled \$88.

Pied Pipers Dyked Out In New Uniforms Friday

Hamlin High School's Pied Piper football team will be dyked out in brand new uniforms when they hit the field Friday night at Roscoe, it was announced by Coaches L. B. Howard and Melvin Carlton this week.

Said to be the "snazziest" uniforms yet worn by a Pied Piper team in the history of the school, they are flashy with plenty of color.

Sweaters are of green body with white stripes round the waist and shoulders and bearing large white numerals. Pants are of bright green body with white leg stripes. Socks are green and headgears are white. Headgears are the only part of the uniforms carried over from last year.

FFA Boys' Heifers Win at State Show

REV. LEDBETTER TO LEAD IN REVIVAL AT GOSPEL CHURCH

Rev. Earl Ledbetter of Los Angeles, California, and Little Rock, Arkansas, will lead in an eight-day revival meeting at the Foursquare Gospel Church in Hamlin beginning Sunday, September 15, it was announced this week by Alice Harrell and Lucille Liles, co-pastor of the local church.

Services will be conducted twice daily, prayer meeting being conducted each morning at 10:00 o'clock and evening worship at 7:45 o'clock. The services will continue through Sunday, September 22.

An outstanding evangelist of the denomination, Rev. Ledbetter also plays the guitar and sings.

The public is invited by the pastors to attend the meeting at the church, located at Sixth and Alamo Streets.

COUNTY COTTON TO BE CLASSED AGAIN AT ABILENE OFFICE

Jones County cotton will again be classed this year in the Abilene cotton office of the U. S. Department of Agriculture, production and marketing administration, which serves 31 counties of the Rolling Plains area, according to Robert Hardin, manager of the Abilene office.

Last year workers in the office graded 200,860 bales of cotton.

The cotton is graded free of charge to farmers who comply with the Smith-Doxey program. This is for any group of farmers who plant their crop to one variety of cotton. The office also classes cotton for warehousemen who desire government loans.

The office was established at Abilene a year ago and has four permanent employees. They are: Hardin, W. C. Siles and H. T. Russell, classifiers, and L. H. Stern, fieldman. In the rush season the office employs around 25 people.

Willingham Appointed On Board of Trustees

Tarlton Willingham Monday afternoon was appointed new member of the Hamlin Consolidated School District to fill the unexpired term of D. D. Sheburne, resigned, it was announced by school board officials Tuesday morning.

Willingham's appointment brings to full strength the seven-member board of trustees for the Hamlin district. Other members of the board are: Holly Toler, president; A. Spencer, secretary; Fred Carpenter, Eddie Jay, C. C. Bailey and LaFoy Patterson.

Routine business was conducted by the board at the Monday session, as well as hearing of representatives from the Hilton district on the matter of Hamlin's taking the Hilton high school students.

Five-Cent Cup of Coffee Still With Us Says OPA

Coffee drinkers of the Hamlin area and elsewhere in the nation were informed Monday by the Office of Price Administration at Washington to be at ease, because the nickel cup of coffee is here to stay.

OPA came out Monday with the assurance that even though coffee has gone up from 10 to 13 cents a pound, there will be no corresponding increase for each cup.

"They squeeze so many cups out of each pound that it's impossible to pass this price increase on to the consumer," said the OPA's coffee lady.

COUNTY JUDGING TEAM TAKES FIRST MONEY—HOLLOWAY GETS TRIP COLUMBUS

Hamlin Future Farmers of America judging team last week-end walked away with first honors at the Texas Jersey Cattle Show in Waco and \$30 in cash. All five members of the team were last year first-year students in vocational agriculture, according to their instructor, T. C. Blankinship.

Other winnings copped by the boys included fifth, seventh and ninth individual judging places in the state contests, and placings for all three of the heifer entries in the first all-state exhibit of fine Jersey cattle. The show was sponsored by the Texas Jersey Cattle Club.

Group and individual prizes for the Hamlin boys totaled \$88, besides an all-expense trip for one of the boys to the National Jersey Cattle Show at Columbus, Ohio, later this month.

County judging team that took first state honors was composed of Weldon Townsend, Callens George, Kenneth Holloway, Elton Brigham and Joe Armstrong. The latter two boys are from Stamford and Trent clubs, but both live in Jones County. The five-some scored 2,300 points out of a possible 2,700 in judging. Next highest team trailed about 200 points in final tabulations.

Kenneth Holloway's heifer, Queen, was barely nosed out of first place in the yearling class. The animal won \$15 second award and was placed on the 10-animal group that is making a tour of exhibitions in Oklahoma, Iowa, Kansas and on to the national show, then will be shown at the State Fair of Texas in Dallas next month. Another Holloway heifer, Royal, placed sixth in a class of 17 in the senior yearling group.

Weldon Townsend's senior heifer yearling, Lassie, placed second and won \$15 in a big field of entries.

The boys also took first in the county herds class to take \$20 cash awards.

RALPH CHANDLER DIES AT HOME OF SON FROM ATTACK

Funeral services for Ralph Chandler of Pittsburgh, Pennsylvania, former Cross Plains resident, who died at the home of his son, Albert Chandler, in Hamlin last Wednesday morning, were held Friday afternoon at Cross Plains. Rites were held at the Cross Plains First Methodist Church, with Rev. Rowland Funeral Home of Hamlin and Higginbotham Funeral Home of Cross Plains in charge of arrangements. Masons handled burial rites.

Chandler, 61, died of a heart attack while visiting in the son's home. He had made his home for many years at Cross Plains, but moved to Pittsburgh three years ago.

Survivors are his wife; three children by a former marriage, Ralph Chandler of Newport News, Virginia, Albert of Hamlin and Phyllis Chandler of Roswell, New Mexico; and one granddaughter.

BOYS SIT AS COURT

A new court has been established in Hamlin, and young men between the ages of 16 and 19 make up the judges' bench. It is known as the Lettermen's Club.

Composed of members of the 1946 Hamlin High School football team, the court was formed to mete out punishment to any of its membership who break training rules during the grid season.

Coach L. B. Howard explained that the members of the squad organized the club to see that their backers get their money's worth in well trained football entertainment this year.

Willie Belle Walton and Charles Schultz Marry

Marriage of Willie Belle Walton, daughter of W. L. Walton of Hamlin, to Charles Schultz was solemnized in Adams Chapel at Los Angeles, California, Friday evening, August 23, at 7:30 o'clock.

J. E. Walton, nephew of the bride, served as best man, and Mrs. J. E. Walton was matron-of-honor.

The bride wore a dressmaker suit of medium blue and her accessories were of white. Her hat was of white dove feathers. She carried a bouquet of white roses centered with an orchid. The matron-of-honor wore a gray-blue dress with an orchid corsage.

The wedding party went immediately to the reception hall, where Mr. and Mrs. J. E. Walton were hosts to about 50 guests. The hall was decorated in pink and white, with white wedding bells predominating. The all-white table was centered with a three-tiered wedding cake on a glass reflector encircled with gardenias.

Following the reception the couple left on a wedding trip to Long Beach. They are now at home at 613 South Place, Burbank, California.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

THURSDAY BRIDE

Mrs. Will W. Harbert, above, was before her marriage Thursday evening at the First Methodist Church, Jo Anne McCrary, daughter of Dr. and Mrs. J. W. McCrary of Hamlin. Both the newlyweds are popular young folks of the community. They will resume their studies soon at Hardin-Simmons University, Abilene.

Mrs. J. W. Holden Honored on Birthday

On Sunday, September 1, Mrs. Ira Green of Celotex gave a dinner complimenting her mother, Mrs. J. W. Holden, on her seventy-fourth birthday. After the dinner was served, gifts received by the hostess were displayed.

It was an enjoyable occasion for Mr. and Mrs. L. B. Holden, Mr. and Mrs. J. W. Holden, Mr. and Mrs. J. C. Green, J. W. Harless, J. L. Blanton, Raymond Jones, Mr. and Mrs. Ira Green and children, Hopie, Irma Lee, Nita, Babye and Charles Wayne.

Jo Anne McCrary and Will Harbert United

Marriage of Jo Anne McCrary, daughter of Dr. and Mrs. J. W. McCrary, to Will W. Harbert, son of Mrs. Lola Harbert of Hamlin, was solemnized Thursday evening at the First Methodist Church with the Rev. C. E. Jameson, pastor of the Methodist Church at Odessa, reading the double ring ceremony. Rev. Jameson officiated at the wedding of the bride's parents 25 years ago.

The couple stood beneath an arch entwined with fern and white and pink asters. On each side of the arch were tall baskets of white gladioli and candelabra holding white candles.

Mrs. Lester Morton, pianist, played softly while guests were assembling and accompanied her husband, who sang "Little Gray Home in the West" and "Because." Edwina Gilbert played the L-hengrin and Mendelssohn wedding music.

The bride, given in marriage by her father, wore a white lace dress over satin, made with long pointed sleeves, fitted bodice with a peplum full skirt ending in a train. Her veil was of illusion bordered with seed pearls. She carried a white Bible topped with a bouquet of orchids, centered in a circular arrangement of white lace and tube roses with satin ribbon streamers.

Mrs. Billy Holmes of Abilene was maid-of-honor. Her gown was of white net over yellow taffeta. Bridesmaids included Sue McCrary and Oleta Kite, who wore pastel blue net over taffeta, and Gamille Hassen and Peggy Van Harbert, who wore pastel pink net over taffeta. Each bridesmaid wore a net halo and carried old-fashioned mosegays of contrasting colors.

Flower girl was Dana K. Dane of Fort Worth, cousin of bride, who wore pink net over taffeta. She carried a nosegay of pink rosebuds. Guy Odom, nephew of the groom, carried the ring on a white satin pillow. Otis Harbert of Stamford served as best man, and Billy Holmes and S. C. Ferguson ushered.

After the ceremony the couple remained in the vestibule of the church to greet the guests as they departed.

A reception was hosted at the home of the bride. Garden flowers were used in the receiving rooms, where the gifts were on display.

Betty Jo Green and Loss Story Married

On Monday, August 12, Rev. Lowell of Abilene read the single ring ceremony that united in marriage Betty Jo Green and Loss Story.

The bride was dressed in navy blue with white accessories and was attended by her sister, Hopie, who was also dressed in navy with white accessories. Murry Sampson of Anson was best man.

Betty Jo is the daughter of Mr. and Mrs. Ira Green of Celotex. She was graduated from Hamlin High School with the 1946 class.

Loss is the son of Mr. and Mrs. Frank Story of Anson. He has recently returned from overseas, where he spent several months with the armed forces.

Only a few close friends attended the rites. The couple is at home at Fort Worth.

served the three-tiered wedding cake, which was topped by a miniature bride and groom. Eleanor Temple presided at the punch bowl. Sue McCrary was in charge of the bride's book. Others in the house party were Mrs. J. T. Hart, Mrs. Otis Harbert, Mrs. Jim Richardson, Mrs. John Jenkins, sisters of the groom. Mrs. D. O. Sauls and Mrs. Anna Lou Cox of Artisia, New Mexico.

Out-of-town guests included Mr. and Mrs. W. B. Dane and daughter, Dana K., of Fort Worth, Mr. and Mrs. Billy Holmes, Mr. and Mrs. Pilley Mr. and Mrs. L. S. Perry, all of Abilene, Mrs. Irene Cardwell and daughters of Roby. Mr. and Mrs. Otis Harbert and daughter, Wanda Bush and Peggy Sitton of Stamford, Mrs. Anna Lou Cox, Charles Cox of Artisia, New Mexico, Mr. and Mrs. Jim Richardson of Sundown, Mr. and Mrs. John Jenkins of Hobbs, New Mexico.

For a going-away suit Mrs. Harbert wore a pastel green wool, with brown accessories. She wore an orchid corsage. After a short wedding trip to points in New Mexico, the couple will be at home in Abilene, where they will resume their studies at Hardin-Simmons University.

The bride and groom are graduates of Hamlin High School. The groom served three years with the Marine Corps in the south pacific theatre. He received his discharge last November.

Fisher Club Group Plans New Yearbooks

Fisher County Home Demonstration Club Council yearbook committee met in the home of Mrs. J. A. Jackson at McCaulley Wednesday of last week. Present were Mrs. Deima Boles, home demonstration agent, Mrs. Adams of Rotan, chairman of the committee, and Mrs. Jackson. Object of the meeting was to work out or formulate plans for the 1947 yearbook.

Points of interest through the ensuing year will be the demonstrations by the agent on bedrooms and accessories and the cooking and caring for frozen foods. Other programs of the year will be: A book review, Christmas program and other subjects of local interest. Project is being worked out in some of the local clubs in the Seventh District for a club recreation center sponsored by the clubs with the cooperation of the other women in the club areas. Do the McCaulley youngsters need one enough to work for it, officials of the McCaulley club are wondering.

Mrs. Clifford Reynolds Honored at Gift Tea

Mrs. Clifford Reynolds Jr. was honored at a gift tea Tuesday in the home of Mrs. M. T. York. Assisting hostesses for the occasion were Mrs. Lester Morton, Mrs. H. O. Cassle, Mrs. Lesley Shelburne, Mrs. Bill Shira, Mrs. L. C. Bonds and Mrs. Tom Teague.

Guests were greeted by Mrs. Shira, who asked them into the living room, where greetings were extended by the honoree, Mrs. C. R. Reynolds Sr. and Mrs. Lovell Stell. Mrs. J. C. Turner Jr. then invited the guests into the dining room, where Mrs. Bonds, Mrs. Morton and Mrs. E. J. Whaley presided over the beautifully appointed tea table.

Mrs. Teague then invited the guests to see the gift displays which were presided over by Mrs. Charles Prater, Mrs. York and Mrs. Cassle. They were then asked to register by Mrs. Fred B. Moore Jr., who was in charge of the bride's book. Good-byes were said by Mrs. Lesley Shelburne.

Registration Schedules For Grade School Given

Schedule of registration for grade school students of Hamlin Consolidated Independent School District was announced Thursday morning by Superintendent of Schools I. R. Huchingson. Registration will begin at 8:45 o'clock Monday morning at the following places: First grade at basement of the Methodist Church; second grade, basement of First Baptist Church; third, fourth and fifth grades, new vocational agriculture building; sixth, seventh and eighth grades, north wing of high school.

Class assignments will be made following registration. Because work on the new elementary school building will not be completed for several weeks, class work will be conducted at other locations for the time being.

First seven grades will be taught at Wise Chapel until the new building is completed; seven grades will be offered at Swedonia; three grades will be conducted at Celotex; and four grades at Neinda.

Buses will be operated in all consolidated districts Monday morning.

Supply of Water Makes Dove Hunting Difficult

Dove hunters of the Hamlin area are reporting that they are having fair luck, but because of the rains of the last 10 days the birds are not so easy to locate. Standing water has been plentiful in most sections, and the doves have been able to find drinking water in widely scattered bar ditches, pools and fields without having to go to the usual tanks for water. There are plenty of birds.

However, with drying up of many of the smaller pools, nimrods believe the rest of the season may prove better hunting.

HAMLIN WELCOMES NEW SCHOOL AREAS

With opening of the new school term in Hamlin the other day, we are playing host to a big crowd of new young people in Hamlin public schools. The newcomers are from six of the section's smaller school districts that voted to consolidate with the Hamlin district.

To the students themselves and their parents, The Herald wants to extend a printed hearty welcome on behalf of the community. We hope that the benefits of enlarged scope of work, more and better courses, fine school equipment and a competent staff of administrators and teachers will well repay you for joining the district.

Actually, as we have before declared, the consolidations mean little to Hamlin. The responsibilities of our school system increase greatly with the enlarged enrollments, and little or no net monetary gain can be expected by the Hamlin system with the mergers.

Hamlin's citizenship wants you to know, friends, that the gesture of friendship in sharing our school facilities will help us all to make better citizens of our children and be better friends in years to come.

Again we say, students and patrons, welcome to Hamlin schools!

FOOTBALL SPIRIT GOOD FOR PEOPLE

There's something about the rah-rah-rah of the football season that puts a spirit of community and school loyalty, of sportsmanship and of confidence in youth that makes life more worthwhile. It's an unexplainable disease that is contagious—but show us the person who doesn't get a thrill out of seeing the football spirit in action and we'll show you a person who is "going to seed" with a disease that is more dreadful than cancer.

To this invigorating spirit the American people may accredit many of the tenets of fair play that have made it the world's greatest power for peace and friendliness. No other nation under the heavens can claim such an inborn feeling of sportsmanship. Our dealings with our fellow man in every-day transactions are more pleasant and above-board because of principles that are learned on the athletic field.

And when it comes to fighting spirit—born not of bitterness toward our fellowman but because of loyalty to principles and things that are right—this same whole-souled tenacity is demonstrated in victory over war-trained people with minds warped by hate and destructiveness.

Folks of the Hamlin community, get in the football parade behind the Pied Pipers, and see how much more fun living is!

GAMBLING VIOLATIONS BEING PROBED

Concerted drive against the growing practice of gambling in the Hamlin community is being planned by the Hamlin Ministerial Alliance. The Herald was informed this week.

Representatives of the organization of church ministers of the city point out that groups of young men are openly congregating in semi-public points in and near the town and placing reasonably high stakes in poker and crap games in open violation of laws of the state. Participants, they declare, are principally young men, many of them ex-service men.

A usual outcropping of money plentifulness, the gambling instinct is a sapper of honesty, integrity and thrift. Indolence is a foster child of the evil.

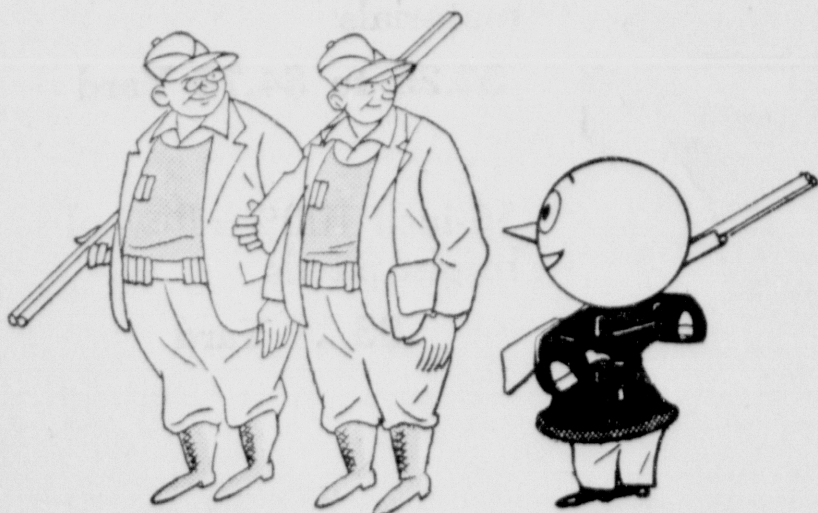

Violation of one law is just as serious as another. Disregard of statutes breeds further crime that may lead to more serious consequences.

Alliance members declare that local and county officers have promised their vigilance in coping with the situation. As part of their program to stamp out the evil, all ministers in the Alliance are planning special sermons on gambling at Sunday morning services.

Everybody is talking about his rights these days. Here, says the Texas Safety Association, is something for drivers to remember about the other fellow's rights—the pedestrian's rights: A pedestrian who has started across the street with the green light has the right to continue to a point of safety before the driver starts up, even though the light has changed after the pedestrian stepped from the curb.

There is no mean work, save that which is sordidly selfish; no irreligious work, have that which is morally wrong; in every sphere of life the post of honor is the post of duty.—E. H. Chapin.

Lots of Luck, Fellows...

But please don't shoot at birds on telephone wires or insulators.

Your shot might wreck vital long distance circuits . . . and telephone equipment is hard to get. Thanks.

FFA BOYS TELL OF WINNINGS AT STATE EXHIBIT TO LIONS

Two of the Future Farmers of America boys who went last week from the Hamlin High School vocational agricultural department to the Texas Jersey Cattle Show at Waco and their entries placed high in exhibitions were guests and speakers at Tuesday's luncheon meeting of Hamlin Lions Club at the Morgan Hotel. Their instructor, T. C. Blankinship also appeared and spoke.

The boys outlined their winnings as a judging team and also their prize-taking Jersey heifers that placed in every event entered. A more complete story of the boys' winnings will be found in another portion of today's Herald.

Blankinship stated that the Texas Jersey Cattle Club at Waco last week was the first all-state show for Jerseys ever conducted in Texas. From the show 50 of the best animals of the state, including 40 animals shown by adults and 10 shown by boys were selected to be taken to the national Jersey club show at Columbus, Ohio, late this month. One of the Hamlin boy's heifer was selected among the 10 best animals exhibited by club boys, Blankinship reported.

June Jones presented two piano numbers, "Prisoner of Love" and "Gypsy" as entertainment numbers for the Lions and guests. Mrs. W. C. Russell was pianist for the day in the absence of the regular club accompanist.

Acting Tailwister J. W. McCrary, who had collected a number of fines, was waylaid by W. H. Eyssen Jr., who also claimed he was official dime collector.

Stanley Carmichael presented estimates of cost of a paving program for Hamlin as starter for such a project, urging members of the club to talk the proposition to other citizens.

Ted Russell gave a preliminary report on the softball season activities of the club's hustling team.

Besides the FFA boys, Blankinship and June Jones, other guests at the Tuesday luncheon were Harold Williams, new Hamlin High School principal, and Parker May of Washington, D. C.

Coaches Attend Rules Interpretation Sessions

Coaches L. B. Howard and Melvin Carlton were among the 70 West Texas high school and college coaches and game officials who met Sunday afternoon at the Windsor Hotel in Abilene for a rules interpretation meeting.

The rules discussion was led by A. M. (Tonto) Coleman, head football coach at Abilene Christian College, and one of the Southwest's leading officials.

The parley was conducted by the Abilene Officials Association, of which Frank Cogdall is president. The unusually large turn-out of officials indicated, meeting arranges said, that the war-time shortage of whistle tooters is no longer a problem.

Every man and woman should be today a law to himself, herself, a law of loyalty to Jesus' Sermon on the Mount.—Eddy.

Any man who sneers certainly spoils his good looks—especially if he sneers at a larger man.

ACCEPTABLE WORSHIP

The theory is advocated widely that all worship of God is acceptable, provided the worshippers are sincere. This opinion is wrong. God has always been strict and undeviating regarding the kind of worship He commanded. Since He is the one to be worshipped, He alone must determine the way His children shall worship Him.

Cain's worship was not acceptable to God; it was not according to the commandment; it was not of faith (Genesis 4:4-5, Hebrews 11:4). Faith comes by hearing. Abel heard (Romans 10:17). Since Abel's sacrifice was by faith, we know he worshipped as God commanded. Thus we see that even in the beginning of human existence it did make a difference with God as to how people worshipped Him.—J. C. Scott, Minister, Hamlin Church of Christ. ROTARIANS TOLD PIED PIPERS LOOK BEST FOR YEARS

Starting fall training with 26 football hopefuls, the Hamlin Pied Piper squad will enter the first game with Roscoe with only two lost to injuries, and will be in tip-top shape, Coach L. B. Howard told members of Hamlin Rotary Club Wednesday noon in their luncheon meeting at the Morgan Hotel.

Howard and Assistant Coach Melvin Carlton outlined prospects of the football season at Hamlin Schools. Carlton said that alert, energetic grid teams are shaping at elementary and junior high schools that promise good material for the squad of the future at Hamlin High School.

Carlton declared that the Pipers would probably face their toughest district game with Anson, while Monday and Stamford would furnish plenty of competition.

Dean Witt was announced as a new member of the Rotary Club, making the third member of the Witt family to become a Rotarian at Hamlin.

Besides the coaches, the following were guests at the Wednesday luncheon: Dan Parrish, Rud Swan, John Womble and Wendell Bedichek of Abilene, W. J. Bryant of Stamford, Harold and Tom Neeley of Fort Worth, J. B. Davenport of San Angelo, A. W. Yeatts of Huntsville and H. L. Williams, new Hamlin High School principal.

Mrs. J. W. Ezell Doing Well After Leg Break

Condition of Mrs. J. W. Ezell, long-time Hamlin resident, who last Tuesday night sustained a broken upper bone in a lambe when she fell at her home in Northwest Hamlin, was reported from the Callan Hospital as Rotan as satisfactory.

The fall came when she started to the front door across highly polished floors to greet visitors. Mrs. Ezell will remain at the hospital for possibly six weeks in order for the member to heal, most of which time

will be spent with balanced weight on the leg.

Small sized dollar bills have been in circulation as United States currency since July 10, 1929.

Rip Van Winkle wakes up to a bargain!

What day is it? I mean, what year is it? My word, I've been asleep 15 years!

Yessir, I see lots of changes since 1931, but women's hats are as silly as ever! and the high cost of living is enough to send me back to sleep for another 15 years!

Gosh, look at all the new electric gadgets! When I dozed off back in the Thirties, we had electric lights and an iron and a vacuum cleaner at our house! Now we've got a refrigerator, a couple of radios (my last one was a crystal set), clocks, toaster, washer—why, everything you touch has a switch on it!

It's funny, too, with all those gadgets perking away, my electric bill isn't much more than it was 15 years ago, while everything else has gone up a lot!

(Yes, Rip Van Winkle, you're getting twice as much electricity for your money today as you did 15 years ago. It took increased usage plus plenty of skill and planning—under sound business management—to make electricity the bargain it is right now!)

THE PLACE TO DO YOUR BANKING BUSINESS

POT-SHOTS FROM McCauley

BY GEO DARDEN

Bond election carries! Yes, the taxpayers of McCauley Independent School District turned out and voted last Saturday to the tune of 77 for and 31 against the two propositions and assured McCauley of a fine gymnasium, repairs and class rooms that we will all be proud of. It's a free country and folks vote as they please and the majority pleased to vote for the welfare of their children and their neighbors' children rather than the almighty dollar. What little tax money added will be insignificant compared to the needs of our school. Anyway, we won't know the difference a hundred years from now, and the smiles on the faces of McCauley school children mean more to most of us than what little additional taxes that may be added. After all, we come into the world without a stitch of clothes on and we are going out with maybe a suit and a necktie and in our sock feet.

Thanks to Wayne Webb and Rev. C. E. Dick for a year's subscription each to The Herald.

Margaret Darden returned home Sunday from Shreveport, Louisiana, after a week's visit with Lieutenant and Mrs. W. H. Pickron. She returned home via American Airlines. The plane trip was a birthday gift from the Pickrons.

Mrs. Jim Fancher has returned from a three-week visit in Nevada City, California. She also visited at Reno, Nevada. The visit to that city probably made the husband, Jim, sit up and take notice.

Bonnie Beth Jones visited friends

at Abilene last week.

Betty Kean has returned to her home after a 15-day visit with relatives at Pittsburg.

The cotton gin at McCauley has blown the whistle and is ready to gin your cotton.

McCauley Schools opened for business last Monday. School days ahead are not such a dread to the kiddies since they are to get a new building.

J. N. Wishart was the first to gather cotton in this community this year. He ginned three bales last week. Several farmers plan to start picking this week. Cotton will be much better than expected, and the rains will assure a fair feed crop as well as a cotton crop.

Let there be no mistake about it: Whether we like it or not, subsidies and effective price controls are indivisible. Without one we cannot have the other.

In three months of this year 8,120 people were killed on U. S. highways. It would be better if we all drove as if the fellow in front of us was "loop legged" drunk. He could be.

Comment No. 1—There are a lot of folks in this world who gripe about most everything. They gripe because the other fellow tries to get something done for his community. They gripe because it rains too much or not enough. They had rather not have schools if they have to pay taxes. They cuss the preachers because of the collections. They pity themselves because the other fellow seems to have the most fun in life. They talk about their neighbor and his misgivings like he was a horse thief or bank robber, and the best we can figure out, most all the chronic grooches have a notion that they are about half smart. But the folks who have to listen to their aches and pains are of the opinion that such humans are plain "dumb checks."—A Darden-O-Gram.

Apparently the shorter the dress the higher the price. But it just goes to prove that sight-seeing costs money.

CHURCH OF THE NAZARENE

Evening services at the Church of the Nazarene will begin at 7:45 o'clock instead of the previous time of 8:00 o'clock, it was announced this week by Rev. J. T. Crawford, pastor. Following schedule of services at the church is submitted by Crawford, who urges Hamlin community people to "Go to the church of your choice—go to church somewhere Sunday."

Sunday School, 9:45 a. m.; Sunday morning worship, 11:00 a. m.; young people's service, 7:00 p. m.; junior service, 7:00 p. m.; evangelistic service, 7:45 p. m.; Bible study, Wednesday evening, 7:45 p. m.; workers' meeting, Friday evening, 7:30 p. m.

The local pastor will be in charge of the pulpit both morning and evening. The Sunday morning message will deal with the sin of "Gambling," in which the pastor hopes to be able to stir up the great evil we are facing today. The Sunday evening message will be "Seeking Refuge From the Lamb."

City Underwrites Fund For Vocational School

Hamlin business interests last week assumed \$1,000 guarantee toward financing the GI vocational school for Jones County, it was announced by James W. Love, county coordinator, first of the week.

Financing of the schools has about been completed, Love states, who says Stamford and Anson have pledged \$1,000 each toward financing the project for veterans until the school is put in operation and lenders have been reimbursed by the federal government.
